

Zuzana Hájková Managing Associate

Zuzana Hájková specialises in insurance sector regulation and insurance law, advising primarily German-speaking clients.

Zuzana has experience in providing comprehensive legal advice to major insurance companies and insurance intermediaries on their business activities in the Czech Republic. She focuses on insurance distribution and the regulatory aspects of the domestic and cross-border provision of services. Zuzana also advises clients on drafting insurance documentation and settling insurance claims.

Prior to joining our law firm, Zuzana worked for almost six years at the Czech office of the international law firm DLA Piper, where she also advised mainly internationally active clients on corporate governance, commercial contracts and civil litigation matters.

Projects

- advising an insurance company belonging to one of the largest insurance groups in Europe on day-to-day affairs in corporate governance, including advising on related regulatory matters
- advising a major European financial group in connection with its expansion into the Czech Republic, including comprehensive advice on setting up a distribution network for insurance products, dealing with a wide range of issues related to the cross-border provision of services and drafting implementation contractual documentation
- advising an Austrian insurance company in connection with the expansion of its activities into the Czech Republic, including assessing a wide range of issues related to the cross-border nature of the services provided and drafting documentation with insurance intermediaries
- advising a major international company engaged in insurance and risk management on drafting contractual documentation with insurance intermediaries
- advising a leading Czech insurance intermediary in connection with an internal audit of internal regulations
